

# Obtaining Pack Calculation Pro

---

## 1. Download and Installation

Pack Calculation Pro is available for both 32-bit and 64-bit Microsoft Windows.

You start by installing Pack calculation Pro. You can download the installer from IPU's homepage at: <https://www.ipu.dk/products/pack-calculation-pro/>

Once downloaded, you can run the installer on your computer to install the software. This requires administrative privileges.

## 2. Obtaining a license

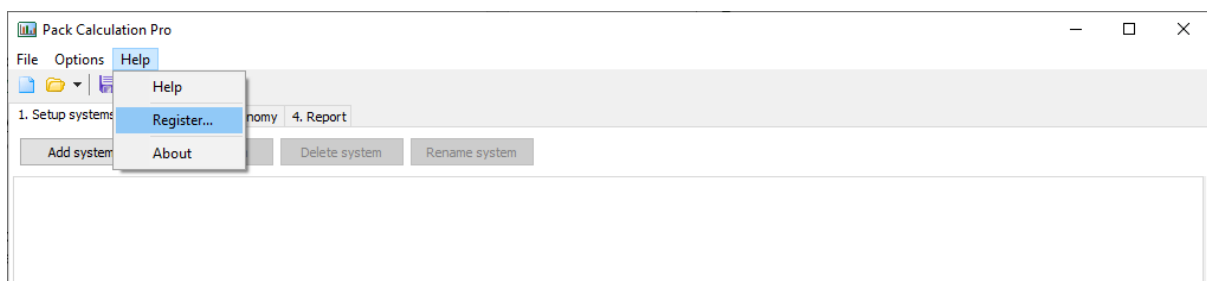

We offer different licenses for Professional, Educational and Personal use through our reseller, MyCommerce Share-It.

Please find further details about the license types, including purchasing links, on the following page: <https://www.ipu.dk/pack-calculation-pro-license/>

## 3. Registration

Using the *exact same* information as written on the invoice for name, company, and email address, you can activate your license inside Pack Calculation Pro.

To do so, open the software and go to the "Help->Register..." menu as shown in Figure 1.

**Figure 1: Registration menu available from Help > Register**

In the next dialog (Figure 2), you must enter your license details.

- Remember to use the exact same information/spelling as you used to purchase the software. Name, company name and email address are encoded in the license key
- You cannot change the spelling (not even capital/small letters) without corrupting your license key

#### 4. Problems with registration

As a reminder, please make sure that the information you enter in Pack Calculation Pro matches with your billing information. The details entered in Figure 2 have to match **exactly** with what you entered on the homepage, as shown in Figure 3, and what is written in the product delivery details, see Figure 4.

The screenshot shows the !pu. shopping cart page. The browser address bar displays 'https://order.shareit.com/cart/view'. The page features the !pu. logo, Norton security, and TLS SECURE badges. Below the header, there is a note about refrigeration systems and heat pumps, followed by 'Renewal: Automatic' and subscription details: 'Duration of the Subscription: unlimited - Billing Period: Every 12 months' and 'Unit Price per Subscription Period: 2,036.68 DKK'. A 'Redeem Coupon Code' link and a 'Continue Shopping' button are present. The total amount is displayed as 'Total: 2,036.68 DKK' (including 25% VAT to 1,629.34 DKK and 407.34 DKK). The page is divided into 'Billing Information' and 'Payment Information' sections. The 'Billing Information' section includes fields for Email, First Name, Last Name, Company, Street Address, City, Zip/Postal Code, and Country (set to Denmark). The 'Payment Information' section shows 'Credit Card' as the selected method, with fields for Credit Card Number, Expiration Date (MM/YY), and Security Code. A 'PayPal' option is also available. At the bottom, there is a checkbox for 'Add VAT ID' and a statement: 'The Recipient or Licensee is the same as the Purchaser.' which is checked.

consumption of refrigeration systems and heat pumps.
